# About Mantra Psyllium Industries

Established in 2018, Mantra Industries has rapidly emerged in 2021 as a leading manufacturer and supplier of premium quality Psyllium products, including Psyllium Seeds, Psyllium Husk, Psyllium Husk Powder, and Psyllium Cattle Feed. We specialize in producing Gluten-free, Non-GMO, kosher, and Halal-certified Psyllium products, adhering to the highest standards of quality and inclusivity.

With a strong domestic presence and a robust distribution network, Mantra Industries has earned the trust of both businesses and consumers by consistently delivering products that promote digestive health and overall wellness.

In addition to our human health product line, we take pride in supporting the livestock sector with high-quality Psyllium cattle feed. We are proud to say that we are the largest supplier of Psyllium cattle feed in India, trusted by farmers and businesses alike for our reliable quality and supply capabilities.

Our commitment to quality, sustainability, and innovation has driven our strategic expansion into international markets, where we continue to build a strong global presence.

As we move forward, Mantra Industries remains dedicated to setting new benchmarks in the Psyllium industry, fostering health, and expanding our footprint both domestically and globally

## Mission:

Committed to continuously developing and delivering innovative Psyllium solutions that enhance efficiency & sustainability while building long-term partnerships with our customers, employees, and communities

## Vision:

To be a globally recognized leader in Psyllium production, driven by purity, innovation, and unwavering customer commitment.

## Values:

### 1. Integrity & Transparency

Ensuring honesty in sourcing, production, and customer interactions.

### 2. Sustainability

Promoting eco-friendly farming and production practices

### 3. Commitment

Commitment is the cornerstone of business success, and we uphold it with unwavering dedication.

### 4. Community & Ethics

Supporting farmers, employees, and local communities with fair trade and ethical practices.
